

Welcome Back!

This is going to be a very exciting year at Barren Creek Christian Academy! August 31, 2009, was our first day back. We are offering a lot of new things. For example, we have our first kindergartener and senior class.

The seniors are taking new classes, one of them being Journalism. They will be starting a school newspaper which will be issued every month informing students and parents on upcoming events. Along with the new paper this class will be creating our first school yearbook. It will be designed, edited, and produced by the seniors for a senior project.

This is just a glimpse of what BCCA is offering this year. We plan to have a great year and hopefully have many more years to come!

Memorial Garden

Last spring, May 2009, we constructed a memorial garden to honor soldiers who have served and are serving our country. Many people gave their time to help with this project.

After months of planning and getting things together, we finished this project in one day, June 5, 2009.

BCCA would personally like to thank the Brinsfield family for helping with the landscape, Wal-mart for donating \$100 toward flowers, Lowes for donating \$100 toward lights, Mrs. B.J. Shores for coordinating the flag pole project, Mr. Mike Nichols for helping lay the boulder, Mr. Mark Robbins for donating and installing the pole, Mr. David Hurley for helping install the pole, Senator Richard Colburn for donating the flag, and all who gave monetary donations.

The dedication for this project will be during the Veterans program. The Veterans program is going to be on Tuesday, November 10, 2009, at 7:00.

We want to thank all who took part in this project but also we want to thank the soldiers who are fighting for our freedom.

The Student Scoop

We asked the middle school boys what they were looking forward to this year. Jeremy said he was looking forward to field trips, and spring break. Luke said he was looking forward to Christmas and Thanksgiving break.

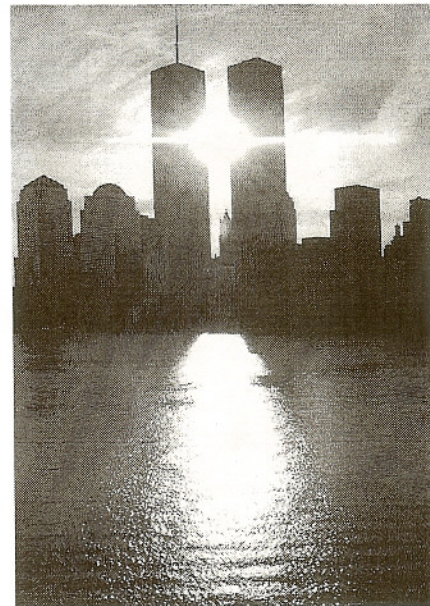

Note:

Don't forget we're voting this month for student council!!!!!! 😊

What Happened 100 Years Ago this Month?

One hundred years ago this month was September 1909. Some interesting facts were that the first boy scout rally was held at Crystal Palace in London, Orville Wright was the first person to fly a plane in Germany, and William Taft was voted into office.

Remembering 9/11

In loving memory of the people who lost their lives on this day. We will never forget.
